EDUCATION

1994 – 1995	Edinburgh Business School, Scotland MBA
1989 – 1992	University of Natal, South Africa BA in Economics and Philosophy

Before joining Leonteq in 2016, Justin Arbuckle was Vice President Worldwide Transformation and Chief Enterprise Architect at Chef Software in London, a leading infrastructure and application development tools company with customers such as GE, Facebook, Yahoo, Etsy and Bloomberg. From 2008 until 2014, he held various senior technology roles at GE Capital, most recently as Executive Chief Architect & Chief Technology Officer, EMEA. Before that, he worked at Barclays in Singapore, at IBM in South Africa and the UK, and at Standard Bank in South Africa. His core skills are in large system, organisation transformation and IT architecture. In particular, he is an expert in banking applications and infrastructure modernisation, along with agile and lean software product development.

He holds a BA in Economics and Philosophy from the University of Natal in South Africa, and an MBA from Edinburgh Business School, Scotland.
