1991 – 1995	Queen's University, Belfast BSc Computer Science

Steven joined Leonteq in November 2016. He was most recently a Managing Director at Trium Capital Markets, where he implemented a systematic volatility strategy. Between 2011 and 2014 he was at Nomura, where he was Head of Equity Trading, Head of Equity Derivatives EMEA, and finally Head of Equities EMEA. He started his career at UBS in 1995 (Swiss Bank Corporation, later SBC Warburg until 1998), where he remained for 16 years, holding a variety of positions, most recently Head of Equity Derivatives Trading EMEA. Steven brings over 20 years of experience in equity and equity derivatives markets, in-depth knowledge across the entire equities product range, along with a significant track record in risk management and building businesses for renowned international investment houses.

Steven Downey holds a BSc in Computer Science from Queen's University, Belfast, and a MSc in Mathematical Trading and Finance from City University, London.
