MARCO AMATO

Year of birth 1981
Nationality Swiss and Italian

Marco Amato is a Swiss and Italian citizen, born in 1981. He joined Leonteq in September 2016. He was previously a Partner at the Assurance Financial Services Switzerland organisation at Ernst & Young and a member of the Financial Services organisation leadership team. He started his career at Ernst & Young in 2006. As a client service partner, he has vast experience in auditing financial statements in accordance with both national and international accounting standards. Marco Amato has in-depth knowledge of the front-, middle-, and back-office operations of financial institutions, and has acted as an advisor on finance transformation, regulatory, and risk management matters.

He holds an Advanced Master of International Business Law (LL.M.) from the University of Zurich and a Master of Business and Economics from the University of Basel, and is a Swiss Certified Public Accountant.
